### Drop In Obedience/Fix It

60 minute class, weekly, \$20/class

This is a drop in class where we will work on topics based on issues you bring to class. If there are no issues in the class or we solve them all before our hour is up, we will offer obedience games and test your skill level! You can come one time or every week. 24 hour notice required for attendance.

### Rally Basic

60 minute class, 6 weeks, \$100

Rally is an advanced obedience class that offers obedience sequences and focused heeling. The basic class will cover 30 of the 50 Rally Signs. The basic class will follow a Rally Novice level. Rally provides practice for real-life skills such as walking nicely at the side, staying, sits & downs, and coming when called. Most of all, Rally promotes fun and enjoyment for dogs & their people at all levels of training!

### Agility 1

(60 minute class, 6 weeks, \$90)

This class is for people who are interested in introducing agility to their dog. Dogs in the class must be at least 5 months old and must not get overly stimulated by dogs running past them. It will introduce your dog to many different exercises and teach your dog to work with you through a course. Most work will be on leash but a reliable recall is important.

### Lure Coursing

Weekly, \$5.00 per run, per dog

Lure coursing is a fun sport that lets your dog expel their nature desire to chase something. The lure coursing course is set up in an open field with up to 3 dogs running at a time. Dogs who are not dog friendly can be run separately. The course can also be set up for young dogs with limited turns to help build their drive. This is a weekly drop in style club. Packages can also be purchased for a discount.
